## British Invasion

### Pop Propaganda

In the form of Union Jack pillows, queen silhouette clocks and Beatles lyric wall art. This British invasion continues on the home décor front with all the "Keep Calm and Carry On" goods. You can bloody well expect more Brit wit throughout the year.

"Keep Calm and Carry On", the royal crown-accented slogan from a British World War II propaganda poster is printed on aprons, zippered bags, home décor items and more. A British bookseller rediscovered it a few years back, and **now it's considered a hopeful sentiment for our troubled economic times.**
