DUNCAN ENTERPRISES ANNOUNCES PASSING OF ROBERT E. DUNCAN

Bob leaves behind a legacy of leadership, passion and kindness known throughout the world June 18, 1921 – November 11, 2015

Fresno, Calif. November 12, 2015 Duncan Enterprises regrets to announce the passing of Robert Emory Duncan, the company's first President & Chief Executive Officer of a company that grew from a garage-based family hobby to become a worldwide leader in Ceramic Arts and Craft & Hobby products. Duncan passed away on November 11, 2015 at the age of 94.

Bob Duncan, as he's known throughout Fresno and the industries he supported for more than 30 years, was pivotal to the development of Duncan Ceramics, a dream of Erma Duncan, his mother. Bob, along with his father, Lee, and brother, Dick, shared Erma's passion to provide an easy means for people to experience the magic of Ceramic Arts via quality products and exceptional education. Duncan Ceramics was founded in 1946 with Bob as

President and Chief Executive Officer, a position he retained until 1983 when his son, Larry Duncan, took the helm with Bob continuing as Chairman of the Board.

"Dad was an amazing father and grandfather and contributed very positively to the lives of many," said Larry Duncan, Chairman of Duncan Enterprises. "He set an incredible example of how a business owner should live their life and run an ethical company by taking care of our family and team, providing great quality products and contributing to our community! Our entire family will miss him very much!"

In addition to building a successful business, Bob was a vibrant supporter of the Fresno community, specifically Fresno State and Boys & Girls Club. He was a devout Fresno State Bulldog supporter, known to many as, "Mr. Bulldog", and was instrumental to growing the athletics department, specifically Bulldog Stadium and Save Mart Center. He was also incredibly passionate about supporting the youth of Fresno to become strong pillars of the community and took special interest in the Boys & Girls Club of Fresno County, serving as a board member and actively engaging as an Honorary Life Director.

"Everything that my dad did was with absolute passion to make our community a better place to live" said Larry Duncan. "He loved Fresno and believed wholeheartedly that we live in an incredible city with so much opportunity and potential. He loved people and he always sought to share joy."

A biography about Bob Duncan can be found <u>here</u> that includes more detail on the evolution of Duncan Enterprises and Bob's passion projects. No biography will ever be able to fully encapsulate the entirety of Bob's work and the legacy he leaves behind – it's just too grand. His impact will be felt for many decades to come.

A memorial service will take place on Monday, November 16 at 10am at the Northwest Church sanctuary at 5415 N. West Ave. The family prefers that in lieu of flowers, donations be made to Boys & Girls Club of Fresno or Fresno State Bulldog Foundation in honor of Bob.
