

Give an ordinary canning jar heightened status by adhering it to an ornate candlestick or sundae jar. Make a grouping of them each in different heights for added appeal. Adorn them with trims and embellishments for a decorative finishing touch!

Instructions:

1. Clean and fully dry glassware.
2. Apply Max Tacky to glass. Adhere pieces together as desired. Let dry.
3. Use Max Tacky to embellish with your favorite trims.

What you need:

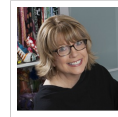

Industrial Strength

Aleene's® Max Tacky Adhesive
(31200)

Miscellaneous:

- Canning jar
- Trims and embellishments
- Glassware (candlestick or sundae dish)
