

Show off your favorite photo in a frame that's just as fabulous! Add colorful papers and embellishments with Aleene's® Original Tacky Glue® and Collage Pauge Instant Decoupage™.

Instructions:

1. Cut four coordinating papers large enough to cover each side of frame and overlap the edges.
2. Pour Collage Pauge onto paper plate. Apply to frame with foam brush and glue papers to all four sides, overlapping the edges to the back of frame. Let dry.
3. Trace around letter onto polka dot paper and cut out. Apply Collage Pauge to letter with foam brush and glue paper to the letter. Let dry.

4. Adhere lace trims around the top edge of letter with Original Tacky Glue. Glue ribbon around side edges of letter. Let dry.

5. Adhere letter to the bottom right corner of frame with Original Tacky Glue. Lay buttons around the frame to determine desired placement. Adhere to frame with Original Tacky Glue. Let dry

What you need:

iLoveToCreate products
