

Keep your ideas tucked away in something just as creative! Decorate a wooden box to your heart's content with colorful fabrics, buttons, trims and Collage Pauge Instant Decoupage™.

Instructions:

1. Lay box on the back of fabric and trace around top, lid and sides then cut out pieces.
2. Squeeze a puddle of Collage Pauge onto foil and working on one side of box at a time, use foam brush to spread glue onto box. Immediately place fabric pieces on glue and press and smooth with fingers.
3. Glue ribbon around box lid as shown. Let dry.
4. Cut out scissors, vintage outfits and words from printed copies. Glue to box using photo for placement reference.
5. Glue trim and buttons on box with Liquid Fusion.

6. Glue beads to underside of box corners with Liquid Fusion. Refer to photo. Let all pieces dry overnight.

What you need:

Liquid Fusion®
