

Dress up a simple wooden purse into a crafty carryall with Collage Pauge Instant Decoupage™! Add fabrics, buttons and a dress form image for a bag that's anything but boring.

Instructions:

1. Lay purse on the back of fabric and trace around back and sides of purse. Cut out pieces to fit purse.
2. Glue fabric pieces to purse with Collage Pauge, using foam brush to spread glue onto the wood. Press with fingers to smooth any wrinkle or bubbles.
3. Lay printed dress form image on the right front of purse. Trace around to determine sizing then cut out. Glue to front of purse as shown.
4. Glue fabric to the front left side of purse.

5. Thread needle with matching thread and sew in and out of the buttons, knotting on the back. Glue buttons to the fabric on left side of purse with Aleene's® Liquid Fusion™.
