

Stir Up Some Creativity Mug

Whether coffee, tea or hot cocoa, your favorite beverages will taste even better in a stylish mug to which you add your own creative touch. Start with fiery colors from the Duncan® Concepts family and then top it with some fun and shimmery Duncan® Shimmer Glazes. The included stirrer is an added bonus!

1. Wipe mug and spoon with damp sponge to remove bisque dust.
2. Brush three coats Bright Papaya around upper third of mug.
3. Brush three coats Bright Salsa around the center third of mug blending into the Bright Papaya.
4. Brush three coats Dark Wine around the bottom third of mug blending into the color above. Paint bottom of mug also. Let dry.
5. Using Fan Glaze brush, apply Garnet Shimmer around the bottom of mug and lightly brush upward blending into the three colors. Repeat with a heavier coat on lower part of mug and lightly brushing upward just to add a little shimmer to colors above. Let dry.
6. Brush three coats Dark Wine to spoon. Let dry.
7. Brush two coats Pure Brilliance to inside of mug. Let dry.
8. Stilt cup and spoon on kiln shelf and fire to cone 06.

9. Brush a light coat of Pure Brilliance to cup and spoon and re-fire to cone 06.
