

Sparkle like the stars at your next music show with Tulip® Body Art® Glitter Gel Paint! Packed with tons of shimmery glitter, you'll stand out like a gem when decked out in these jewel tones and your creativity.

1. Make sure skin is clean and dry. Note: For best results, do not apply lotion to areas that will be painted.
2. Squeeze paint directly from bottle to create dots (or other designs) on skin in desired pattern. Let dry.
3. Paint can be removed with soap and water or rubbing alcohol.
