

Motivational Puffy Clings

If you're a determined, hard-working, hustling, making those dreams come true kind of girl, then you're a GIRL BOSS! There's no denying it! You're pretty much a force to be reckoned with. So how about a daily reminder of what you're all about. These motivational clings say it all! Grab some Tulip Dimensional Paint, print these patterns and let's get started.

Instructions:

First, insert printed graphic into re-sealable plastic bag.

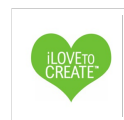

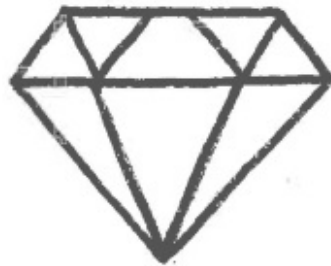

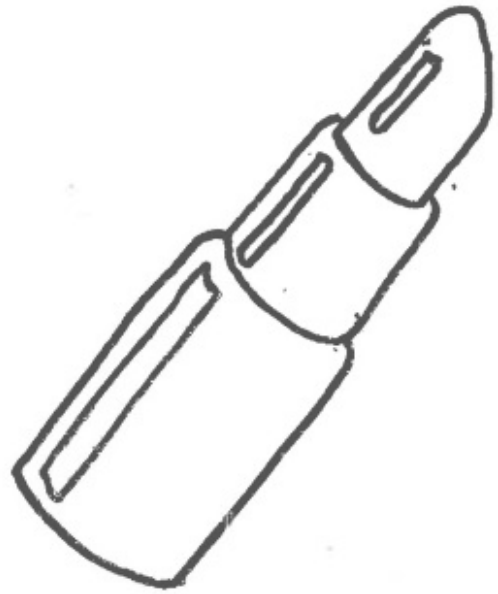

Use the dimensional fabric paints of your choice to fill in the designs.

Let the paint dry for 4 hours before peeling the design off the plastic.

Now you have these fun motivational clings that you can place on your bathroom mirror, your bedroom window, stick to your phone, laptop or planner!
