

Splatter Paint Shoes

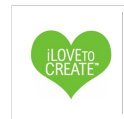

Spring time means time to refresh your wardrobe! Give your shoes a new look with Tulip Soft Fabric Paint! You'll be steppin' to a whole new beat after you're done with these! A little bit of color and creativity can go a long way, and you'll have so much fun with this process!

Instructions:

1. Protect working area by covering with plastic.
2. Shake paint well and pour into small plastic cup.
3. Dip paint brush into desired color.
4. Standing about a foot away, swing the paint brush in the direction of the shoes to create splatters.
5. Alternate between colors as desired.
6. Let dry for about 4 hours.

Now you've got awesome shoes that are ready to rock! Feel free to use whichever colors you'd like! Or stick to just one. This technique can totally be used for all of your clothes you want to upcycle! Create a whole splatter outfit, full of color and fun!
