

## Charmed, I'm Sure

When you don't have room on your sleeve, wear your heart on your handbag! Create this charming little tote with lots of Crafty Chica® charms, color and shine.

### Instructions:

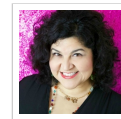

1. Cover work surface with a plastic tablecloth.
2. On a piece of foil, mix white paint with a puddle of red to create fuchsia. Mix white with a puddle of yellow to create a pastel yellow. Add a small amount of water to each to create a thinner consistency.
3. Paint half of the bag fuchsia and the other half yellow. Refer to photo. Let dry.
4. Position Milagro Heart Iron-On Transfer onto bag where desired, plastic side up. Cover with a thin pressing cloth then iron onto bag following package instructions.
5. Color in outlining areas of heart with Tango Permanent Fabric Markers. Refer to photo.
6. Pour a puddle of Extreme Embellishment Glue onto a clean piece of foil. Use a clean paintbrush to spread glue in center of Milagro Heart. Immediately sprinkle with Sunset Pink glitter and press with finger to set. Let dry, then shake off excess glitter onto a piece of

scratch paper and pour back into container for reuse.

7. Stitch charms along center of bag or where desired.
