

Charming Day of the Dead Bracelet

Dia de los Muertos – the Day of the Dead – is a Hispanic holiday dedicated to remembering loved ones who have passed on. Create this Charming Day of the Dead Bracelet with Crafty Chica™ Charms™ and Chunky Glitters™ as a way to honor and celebrate the lives of those you love.

Instructions:

1. Mix ¼ cup of each part of the resin according to package instructions.
2. Pour two heaping teaspoons of Sci Fi Silver Crafty Chica™ Chunky Glitters™ into resin and stir until glitter is fully mixed. Pour into desired number of molds. Let set 24 hours until cured.
3. Once cured, pop hearts out of molds and use a handheld drill to create a hole at the top of each heart.
4. Cut a 6" piece of wire and using the needle-nose pliers, wrap the wire through the hole in heart several times, leaving a 2 mm loop at the top. Twist the loop several times to create a small hole, turning the heart into a charm. Repeat for all hearts.
5. Use the jump rings from the Crafty Chica™ Charm Bracelet™ Workshop-in-a-Box™ and 3-in-1 jewelry-making tool to connect hearts

and Day of the Dead charms onto the bracelet from the kit.

Miscellaneous:

- 24-gauge wire
- 2-part resin
- Needle-nose pliers
- Measuring spoons
- 3-in-1 jewelry-making tool
- Handheld drill
- Silicone heart mold
