

Walking Into Spider Webs T-shirt

Create an eerily creepy tee with the Tulip® Halloween Activity Kit™. Start with a traditional bullseye tie-dye technique and add fabric marker spiders and glow-in-the-dark web details for a tee you can wear day and night!

Instructions:

1. Wash shirt and leave damp. Cover work surface with disposable plastic table cover.
2. Lay out shirt flat on covered work surface and smooth out wrinkles.
3. Tie shirt into a bullseye tie as shown in package instructions.

- Mix dyes according to package instructions.
- Dye center tied section of shirt Orange and the rest of shirt Black.
- Cover dyed shirt with plastic table cover and let set 6-8 hours.
- Remove ties and rinse shirt under running water to remove excess dye.
- Wash and dry shirt as suggested in package instructions.
- Insert shirt board into layers of tee.
- Use black fabric marker from to draw abstract spider shapes on center portion of shirt. Let dry.
- Use Glow dimensional paint to draw abstract spider webs around spiders. Let dry.

What you need:

Tulip® Fashion Art Tools
