

Creative Cups Jewelry Holder

Get creative with a teacup sculpture that doubles as a jewelry holder! Mix and match with fun thrift store finds, then put it all together with Aleene's® The Ultimate Multi-Surface Adhesive™.

1. Clean and dry plate and cups.
2. Determine placement of cups on plate.
3. One at a time, glue cups around plate facing outward, following adhesive instructions on packaging.
4. Glue additional cups on top of others to desired effect.
5. Let dry 24 hours before using.
