

Add some flair to your summer soirees with fun prints in bright colors from Duncan® Concepts® Underglazes! A platter painted in a bright gingham pattern is perfect for the food table at your next barbeque.

1. Wipe platter with damp sponge to remove bisque dust.
2. Run strips of tape across platter, leaving approximately 1" of space between each.
3. Brush one coat of Neon Red over exposed sections, using a long, even stroke across the open strips. Let dry.
4. Remove strips of tape and begin taping in the opposition direction, leaving the 1" of space between each. Make sure edges are well sealed.
5. Brush one coat of Neon Red over exposed sections using a long, even stroke. Let dry and remove tape.
6. Brush three coats of Neon Red or two coats of Pure Brilliance onto back of platter. Let dry.
7. Brush two coats of Pure Brilliance to front, letting dry between coats. Let dry completely.
8. Stilt and fire to cone 06.
