

Christmas Spirit Dream Catcher

This holiday season, catch those visions of sugar plums dancing in your head with a dreamcatcher project that's just as sweet. This tree branch dreamcatcher is just a little twist on the traditional design, and makes a great gift for a good friend or loved one!

1. Spray branch with white paint in a well-ventilated work area.
2. Apply Aleene's®Rapid Dry Mixed-Media Adhesive™ to ends of paper clips and push into foam balls to create hangers.
3. Cut star from heavy cardstock. Wind ribbon around star and each ball to cover. Apply Aleene's®Fabric Fusion®to ends of ribbon, holding in place with pins to dry.
4. Place feather onto waxed paper and brush Fabric Fusion to lower third. Sprinkle glitter over glue to cover. Let dry and shake off

excess glitter.

5. Brush Fabric Fusion to cover one end of the painted branch. Sprinkle glitter over glue to cover. Let dry and shake off excess glitter.
6. Let projects dry 2-4 hours.
7. Tie the dry pieces together with cotton yarn to complete wall hanging.
