

## Sugar Skull Glow Pumpkin Pail

The Halloween season is upon us! If you are looking to take your Halloween decor to the next level this year, break out the Tulip Dimensional Glow Paint and create this Nightmare Before Christmas-inspired pumpkin pail that is great for both trick or treating -or- decor! Check out the video or steps below to get the look!

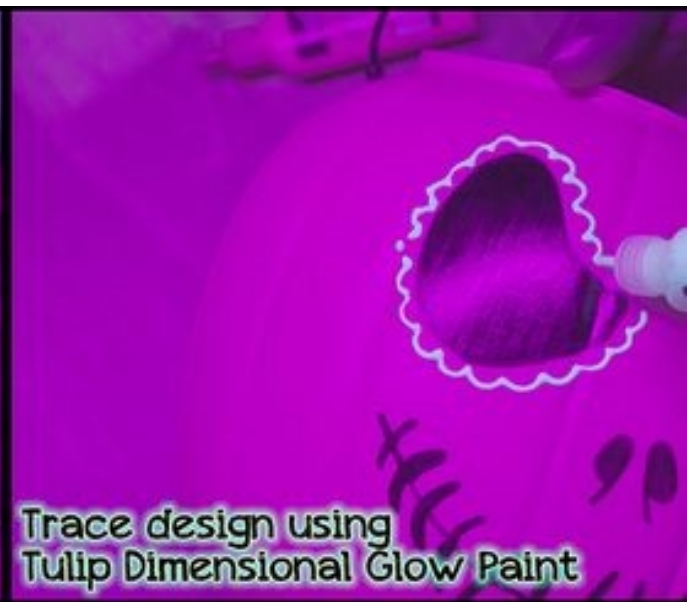

### Instructions:

Make this project following these few simple steps. If you are not the freehand type, follow the jack-o-lantern face as a guide. You can also place stickers and outline them with the glow paint!

Freehand design using permanent marker

Trace design using Tulip Dimensional Glow Paint

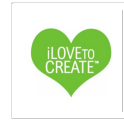

Even out design with toothpick

Embellish with more glow paint
